Margaret Loftus To Be Retained As Health Nurse

Miss Margaret Loftus, who was declared in a telegram Monday to the board of supervisors from Mrs. Catherine Peck, past president of the social service department, to have given 20 years of unselfish service, will be restored to her post as county health nurse.

County Executive Walter Kellogg told the board of this morning, after Supervisor Albert Witt, Colma, had moved that the board refer the matter of Miss Loftus's removal to Acting Health Director Charles C. Gans "for an explanation."

Supervisors John Poole, Redwood City, and Manuel Francis, Half Moon Bay, both expressed satisfaction with Miss Loftus' work.

Mrs. Peck's telegram said that the first explanation that Miss Loftus was removed "for lack of funds" evidently was not true as "the same position has been offered to another."

The San Mateo Business and Professional Women's Club through its secretary, Nancy Pierce, also protested the removal.

Registration Starting For Next School Term

The principal of Sequoia high school, A. C. Argo, and his freshman, sophomore and junior class advisors were at work Monday on the school enrollment for the coming year.

This registration will occupy the next four weeks.

During recent meetings the program of studies for next year has been revised and brought up to date in connection with the outline of courses and the college entrance examinations, Argo said.

Local Child, 9, Injured Skating Into Automobile

Skating into a moving car, Ruth Ellsworth, 9, 1168 Cleveland street, was injured Sunday afternoon.

The driver of the car, Attilio Bianchini, 34 North Grant street, San Mateo, told police that he was driving along Cleveland street when the child skated down a driveway into the street, running into the side of his car. The child was knocked down and the rear wheel passed over the skate fastened to one of her feet, police said.

Bianchini took the girl to the Mason Emergency Hospital where she received medical attention from Dr. Harry Mason. The extent of her injuries was reported as a lacerated foot and a possible fracture of the leg.

Road Surrender To State Gains Headway, Report

Alarm was expressed by the board of supervisors Monday over the threatened success of the movement for surrender of county roads to state control. Hugh Pomeroy, planning advisor, urged the supervisors to counteract the propaganda being put out in favor of the plan. Pomeroy said the movement was making "alarming headway."

The planner declared the attempt "as vicious a measure as ever proposed." He said he did not believe the supervisors association as such could not defeat the plan. He urged the board to secure the co-operation of cities.

Presence of State Senator Harry Parkman and Assemblyman Frederick Peterson at next week's meeting will be planned to advise them of the board's opposition to the plan.

Three Are Injured In Colma Collision

COLMA, Feb. 18.—Three people were treated at Villa Sanitarium for cuts and bruises suffered in an automobile collision at Washington and San Pedro streets here yesterday. They were Francis Szecepaniski of South San Francisco, driver of one of the machines, and Mr. and Mrs. Alexander Martinez of San Francisco, who were riding in the other car.

Roscoe Wyatt Returns From Secretary Meet

Roscoe D. Wyatt, secretary-manager of the Redwood City Chamber of Commerce, has returned from the state convention of commercial secretaries held in Santa Cruz last week. Wyatt, who was chairman of the meeting held Saturday, stated that he received many good ideas which he hopes to apply to local problems.

Gilbert Kettle of San Mateo was elected to the advisory council of the association.

Mrs. Fagan Awarded \$1,250 Month Income

Mrs. Alice Bennett Fagan, wife of the late James J. Good Lighting starts with Proper Lamp Design

Here is the

of a
Better Lamp
for Better Light

Higher standard than the ordinary lamp. 19 1/2 inches from table top to bottom of shade.

What a difference under the shade! The diffusing bowl which eliminates both reflected and direct glare to give light that is soft and glareless.

The shade open at the top and wide at the bottom is the third reason why this revolutionary lamp gives six to ten times as much light as an ordinary lamp.

SEE that the lamps you buy for your home are designed to give you abundant light from proper height and distance so that it is easy for your eyes to see quickly and to read without effort.

Note the distinctive features of the Science of Seeing Study lamp pictured above. They are the tall standard, the diffusing bowl and the special shade wide at the bottom to give much more useful light than ordinary lamps.

There should be at least one of these new lamps in every home. It helps good eyes to keep good eyesight and aids weakened eyes to see more easily.

SNOW FLAKE GIVES RECIPE FOR PIE

The legend of George and the Cherry Tree brings the subject of cherry pie pleasantly to mind and there is simply no Washington's Birthday that can be authentic without it. Snow Flake cookery points the way to more delicious foods, more easily and economically made, not only for this, but for every occasion.

GEORGE WASHINGTON CHERRY PIE

(You can build a party on this)

Crust:
22 Snow Flake Sodas
1-3 cup Softened Butter
1 tsp. sugar
Filling:
1 large can pitted cherries
1-3 cup sugar
2 tbsps. butter
Mix finely rolled Snow Flake Crackers with softened butter and sugar. Reserve 1-3 of this mixture. Use the remainder to line buttered 8-inch pie plate, pressing mixture firmly against sides and bottom. Mix drained cherries with sugar, and fill cracker-lined pie plate. Cover with remaining crumbs and dot with butter. Bake in hot oven (425°F) 10 minutes. Reduce heat to moderate (375°F) and continue baking for 20 minutes.

HAM AND CAULIFLOWER BAKE

(A delicious all-in-one Creation)
1 small cauliflower, cooked
12 Snow Flake Sodas
1 cup cooked, chopped ham
Salt and Pepper
2 tbsps. butter
1 1/2 cups milk
Separate cauliflower into flowerets, and crumble crackers. In a buttered baking dish arrange alternate layers of cauliflower, ham and crackers. Season, dot with butter and pour milk over all. Bake in hot oven (425°F) 25-30 minutes. 6 portions.

Senator Byrd Scores Public Works Bill

WASHINGTON, Feb. 21 (P)—A violent broadside against the \$4,880,000,000 public works bill was leveled in the senate today by Senator Byrd of Virginia who said its defeat would be a guarantee to the world "that the government is determined to maintain the credit of the United States beyond reproach."

"Ambitious plans for great public works and social service should await recovery," said Byrd. He delivered his broadside in the midst of debate over the McCarran amendment requiring payment of prevailing wages for public works.

Sequoia Players Ask Furniture Donations

In order to collect old furniture and household articles which could be used in future Little Theater productions at Sequoia Union High School, the Sequoia Players are holding a drive this week.

Persons owning such articles and wishing to donate them to the players are asked to call the school, giving a description of the article and address. A truck will be sent Saturday to collect contributions.
